

2018 Networking Socials

The Lake West Chamber offers its business members a Networking Social on the second Tuesday of each month at various locations. All get-togethers are from 5-7 p.m. unless otherwise stated. We welcome any business in the area interested in joining the Chamber to join us at any of these socials and visit with our members. Each host will provide appetizers and attendees will purchase their own beverages. Looking forward to seeing you at our Networking Socials in 2018.
