Phoenix Renovation and Restoration, Inc.

Please join us in welcoming Kalon Mohrlang to the west side! He joined Phoenix Renovation and Restoration in November as the new Branch Manager, replacing Mark Broeker who retired after 9 years of leading Phoenix here at the Lake. Kalon relocated from the front range of Northern Colorado. For a restoration guy he has a very diverse background. He started his career in high tech manufacturing as an electronic technician for Hewlett Packard. Throughout his career in high tech he ventured into various roles including technical resource manager, human resources manager, and managing large customer accounts. As more and more electronic manufacturing moved overseas, Kalon redirected his career path and found he had a passion and skill for finish carpentry. Along with the hands-on work in the field, he learned how to apply his manufacturing knowledge and management style to the construction industry. Ultimately his diverse background and success in construction is what attracted Phoenix to him. The beautiful Lake of the Ozarks and his grandkids living in Kansas City is what attracted him to Phoenix and the West side. Phoenix Renovation & Restoration is a full services renovation/restoration company. Their services include emergency board ups, tarping, utility reconnection, water mitigation and dry out service, structural repairs, turn-key project management and consulting services. They can manage the entire project from the initial damage assessment to the completion of structural repairs. Phoenix works with insurance companies and they are on several preferred contractor programs. Adhering to their code of values, Phoenix will renovate your property, restore your life, and provide service that exceeds your expectations. So, if all is lost by fire, wind, water, hail, or mold remember help is a phone call away. You can reach the Phoenix office at (573) 374-7266, or Kalon directly at (573) 723-0274 or kmohrlang@kcphoenix.com

RIBBON CUTTING

Millstone Marina

A ribbon cutting was provided recently for the newly renovated Millstone Marina located in a quiet cove at the 7 MM. Jeff & Kim Howell purchased the property in October of 2017 and began their renovation project almost immediately. Millstone Marina offers a Super Sea-Store which was a much needed addition to this part of the Lake. By land take O Road outside Laurie. A convenience store and gas docks are provided for all boaters. From painting; waxing; refinishing and maintenance, they will take care of your boat service needs. Millstone Marina, 573-372-6272. Pictured at the ribbon cutting are Jeff & Kim Howell, owners; staff and friends; Chamber Ambassadors and Chamber Ex. Director Paul Hooper.

2018 Short Bus Shuffle Basket Giveaway

Congratulations to Bryan Diebold, pictured left, as the winner of the Short Bus Shuffle Giveaway basket. The drawing was held at the Chamber's Annual Dinner in April. Everyone who purchased a wrist band and filled out a survey was entered into the drawing. The value of the basket was over \$550.00. Pictured along with Bryan from left, Heather Richardson and Mike & Rebecca Myers. Bryan is from Excelsior Springs.
